Windows, Doors  
& Conservatory Specialists

Bi-folding panoramic door options have become a very popular choice with homeowners over the last few years and now EASi-FOLD Doors, a new revolutionary system, is being offered in the Greater Manchester area by DS Windows Doors & Conservatories.

Independently opening and sliding sashes can be configured to meet customers' individual preferences:

- From a simple two pane configuration up to six door sashes for openings up to 5800mm wide.
- No visible hardware, each sash individually opens, closes, pivots and folds into place with ease.
- Available in a wide range of colours to suit property style and period.
